Entry-level Java Developer and BCA student with strong knowledge of Core Java, Object-Oriented Programming, Data Structures & Algorithms, and basic web development. Hands-on experience in developing academic projects using Java, JDBC, JSP, Servlets, MVC Architecture, and MySQL database. Seeking a Junior Software Developer role to apply problem-solving skills and grow in a professional development environment.

EDUCATION

Jul 2023 – Jun 2026

Bachelor of Computer Application | Maharana Pratap College of Professional Studies, Kanpur

May 2022 – Apr 2023

Higher Secondary (12th – Science) | State – Board (78%) | PNSN Inter College, Kannauj

May 2021 – Apr 2022

Secondary School (10th) | State – Board (88%) | PNSN Inter College, Kannauj

CERTIFICATIONS

Data Structures and Algorithms with Java – Apna College (2025)

- Covered Arrays, Strings, Linked Lists, Stacks, Queues, Trees, BST, Heaps, Hashing, Tries, Graphs, Dynamic Programming, Greedy Algorithms.
- Implemented searching and sorting algorithms in Java.
- Solved 200+ DSA problems using Java.

TECHNICAL SKILLS

Programming Languages : Java.

Core Java : OOPs, Classes & Objects, Inheritance, Polymorphism, Abstraction, Exception Handling, Collections Framework, Multithreading, Java 8+ Features

Advance Java : JDBC, Servlets, JSP, MVC Architecture, Session Management

Database : MySQL, SQL Queries, CRUD Operations

Web Technologies : HTML , CSS , JavaScript(Basics)

Tools & IDEs : Eclipse, IntelliJ IDEAs, VS – Code, Git(Basics)

PROJECTS

Smart Queue & Appointment Management System

Technologies : Java, JDBC, Servlets, JSP, MySQL, MVC Architecture

- Designed and developed a web - based system to manage customer appointments and reduce waiting time.
- Implemented user registration, login, appointment booking, and admin approval modules.
- Used JDBC for database connectivity and MySQL for storing appointment data.
- Applied MVC architecture to separate business logic, presentation, and data access layers.
- Improved efficiency of queue handling through scheduled appointment allocation.
